PRESIDENT'S LETTER.....

Greetings Colleagues!

The West Virginia Dental Association (WVDA) is pleased to present our new Membership Directory.

We hope this directory will be an excellent resource for your use as it contains up-to-date information on current association members and various membership and professional resources.

This full listing of our membership provides an invaluable resource to stay connected to professional friends and colleagues. Also included is a full listing of our WVDA Endorsed Partners. These vendors provide important, quality member services and discounted products to help you throughout your dental profession. Please utilize their services. We are also open to your suggestions on new services you'd like to see, as it benefits both you and the WVDA.

Within, you will also find contact information for WVDA Staff and Officers, Component Officers, Committees, and WVDA Endorsed Partners.

I encourage you to become involved with your Component and the State Association by attending meetings and events. Your insight and ideas strengthen your association and expands your horizons, enabling you to grow in your professional life.

Your voice and affiliation in West Virginia have never been so important to our profession as it will be in 2025. Your leadership is always looking to fill positions with new voices. Please don't be hesitant to volunteer and participate on both the state and local levels.

"Thank you for being a member of the WVDA! It is always a privilege to serve you."

Please let every dentist in your component area know we need their voice and ideas to continue to serve this great profession we call Dentistry. Please also share with any colleagues you know who are not currently members all the social, educational and professional benefits you see from your membership.

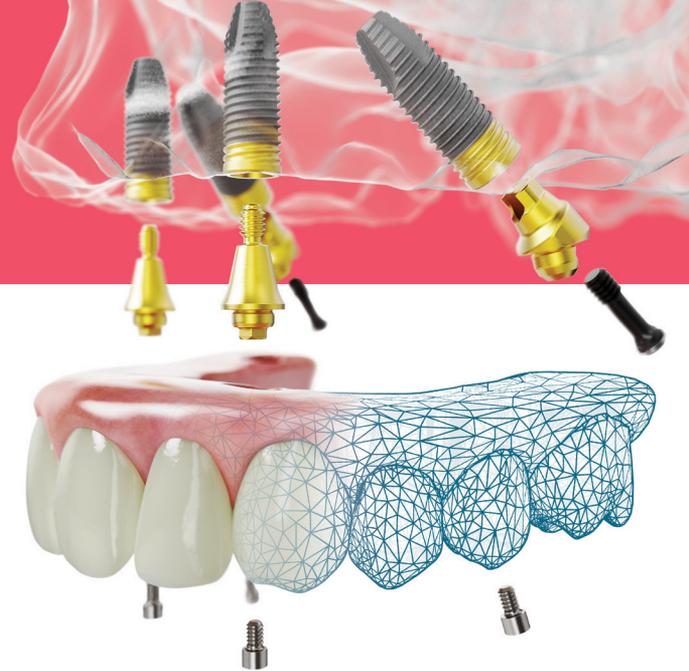

Yours in Dentistry,

Dr. Hillary Homburg

DENTISTRY IS SMALL BUSINESSES

- Small businesses account for nearly 99 percent of businesses in West Virginia.
- Dental practices are located statewide, from rural areas to cities.
- West Virginia dentists are employers, taxpayers, and actively support their communities as civic sponsors and volunteers.

"West Virginia recognizes that small businesses are the backbone of our economy and the glue that holds communities together."

- Governor Jim Justice (#SBDCDay)

WVDA DENTAL ASSISTANT COURSES AVAILABLE ONLINE

The WVDA Dental Assistant Expanded Duties and Nitrous Oxide Monitoring courses are now available virtually, on-demand at our website www.wvdental.org

Interested dental assistants should click on the link, then "sign In" then "create new account". Each assistant taking the course needs to create their own account, even if they are using the dentist's credit card for payment.

You can log back in to your account and enroll in the available courses as needed. Should you encounter any problems in the process, please reach out to Susan Jones at susan@wvdental.org or 304-344-5246.

PURPOSE

The West Virginia Dental Association is a constituent of the American Dental Association (WVDA Bylaws, Article I). WVDA is a non-profit organization under Section 501(c)(6) of the IRS code whose mission is to:

- Improve and protect the health of the public.
- Promote the art and science of dentistry.
- Represent the interest of members of the dental profession and the public which it serves.
- Encourage high standards in dental education and dental practice.
- Aid in the passage of just dental laws governing the practice of dentistry.
(WVDA Bylaws, Article II)

MEMBERSHIP

We operate as a “Tripartite Membership,” whereas membership in the American Dental Association and the West Virginia Dental Association is a prerequisite to membership in a local component society.

The word “tripartite” means “**composed of three parts.**” The three parts of ADA membership — through the component (local) dental society, constituent (state) dental society, and American Dental Association (national) — complement each other. Each level offers valuable benefits and resources to members.

Membership of the WVDA follows the membership structure of the American Dental Association:

- **ACTIVE** – the active membership shall consist of ethical dentists regularly licensed to practice dentistry in West Virginia, or graduate dentists holding rank as members of the faculty of a recognized dental school within the State, or graduate dentists serving on the staffs of regularly constituted government agencies in West Virginia and who are members in good standing of a component society holding a charter from this Association.
- **ACTIVE LIFE** – a member of this association who has been an active member of the American Dental Association for thirty (30) consecutive years or a total of forty (40) years of active membership. Active Life members pay 100% of dues.
- **RETIRED LIFE** – retired life members shall be exempt from the payment of all dues.
- **RETIRED** – retired members shall pay 25% of dues if they are not active. Retired members did not obtain active life status prior to retirement.
- **FACULTY** – full-time faculty members at CODA-accredited institutions receive a 50% discount on national dues for up to three years beginning in 2025.
- **STUDENT** – student members shall include recent graduates of dental schools or those who have completed a dental internship, residency, or graduate work, and who are student members of the American Dental Association when they begin the practice of dentistry in West Virginia. Current dues structure – 1st year out of dental school pays 0% active dues, 2nd year out of dental school pays 50% active dues, and 3rd year out of dental school begins the 100% active dues.

GOVERNANCE

ADA Governance

The ADA managing body is the Board of Trustees. The Board consists of 17 trustees (one from each trustee district), the President-elect, the two Vice Presidents and the New Dentist Committee Chair—as the voting members of the Board and the President, Treasurer and the Executive Director as non-voting members of the Board. The Board traditionally meets seven times during the year. Dr. Fred Howard, 6th District Trustee, serves as West Virginia, Kentucky, Missouri, and Tennessee’s Trustee. To learn more about ADA governance and leadership, visit www.ada.org/about/governance.

continued ►

ADA House of Delegates

As the legislative and governing body of the ADA, the House of Delegates is the supreme authority guiding the American Dental Association. It speaks for our 161,000 dentist members and for the dental profession throughout the U.S. Members of the House of Delegates are chosen by the 53 constituent societies, the five federal dental services and the American Student Dental Association. The House meets once a year during the ADA Annual Meeting, usually held in October. The officers of the House are the Speaker and the Secretary.

WVDA Governance

The managing body of the WVDA is the Executive Council, with each local component society having a representative(s). The Executive Council meets four times a year. Each year the component secretary should notify the ADA central office of its elected officers immediately following their election. An Executive Committee of the Executive Council is comprised of the line officers of the WVDA. This Committee oversees the work of the Executive Director.

Component Governance Local component organizations shall adopt a constitution and bylaws. Any amendment to the bylaws of the WV Dental Association or to the constitution and bylaws of the ADA is binding on every component society. According to the WVDA Bylaws, component societies shall install newly elected officers no later than 30 days prior to the beginning of the fiscal year. The secretary of each component society shall certify to the Association Office the names and addresses of the officers not later than ten (10) days following their election.

WVDA Committee Information

Nominations Committee: The committee shall be composed of one Executive Council member from each component society who has been elected by his society to serve in this position. The Committee shall meet at least once each year in conjunction with a regular or special meeting of the Executive Council, but no later than three months preceding the summer annual meeting at which officers are to be elected. Each committee member shall represent his component society and present its nominees for the elective offices, delegates to the American Dental Association, candidates for the nominee to the WV Board of Dentistry. (WVDA Bylaws, Article XIII, Section 11).

Working Hard for Dentistry!

THE WV BOD REGULATES. THE WVDA ADVOCATES.

We are NOT the WV Board of Dentistry. What is the difference?

According to WV State law, the purpose of the Board of Dentistry is to protect the public through its licensing process, and to be the regulatory and disciplinary body for licensed professional dentists and dental hygienists throughout the state.

The WV Dental Association is a membership association. We are not a creation of the State, nor do we regulate dentists.
