Anesthesia codes are paid using standard anesthesia methodology, for example:

\* 1 unit (15 min) + 5 (00170 ASA base units) = 6 x 22.70 ( WV Medicaid Conversion Factor) = \$136.20

Additional minutes are calculated as follows:

\*\* number of units x 22.70 (Medicaid Conversion Factor)

\*\*\* Code is open but unable to determine the effective date due to the code being priced per prior authorization. Code located in Gainwell Techno
