

BENTO'S NATIONAL DENTAL NETWORK

Finding In-Network Dentists and Specialists Has Never Been Easier!

With your dental plan powered by Bento you can go to any licensed dentist nationwide but your benefits go even further when you visit one of the **135,000+** in-network **Bento Dentists**. In addition to Bento's proprietary network, Bento also partners with Cigna to you even more in-network options.

You're Bento Concierge is here to help at any time! From sharing plan info with your dentist for an upcoming appointment to questions about your benefits. You can even refer out-of-network dentists and Bento's network specialists will reach out to them.
